

Productivity at your fingertips with the portable USB-C display 16T3E

The 16T3E expands your working and gaming space in an instant. The slim and super light 15.6" IPS display boasts vivid colors. Connect to a laptop or smartphone via USB-C within seconds and is easily set up.

Features

Productivity anywhere you go

More screen real-estate significantly increases productivity. With your monitor connected to your laptop you can be efficient even outside your home or office – when travelling or, visiting customers.

VESA Wall Mount Compatible

The E1659FWU USB Monitor comes with VESA 75 x 75 mm Mount Compliant feature, allowing you to easily mount the USB monitor to any wall.

Productivity on the go

Possibilities with the 16T2 are endless. Extend your laptop display on the go or at the home office, use it for presentations, or taking notes during a meeting or lecture. Play videos anywhere, get a digital signature from a client, or boost your smartphone display to play mobile games to a 15.6" size. It's limited only by your imagination.

Portable, elegant solution

The I1601 looks gorgeous and is durable with its metal alloy case. While being just 8.5 mm thick and weighing ultra-light 800 g it is easy to travel with for work or study. It also easily fits in most notebook bags.

Auto-Pivot

Change the orientation of the monitor to automatically align screen content (included AOC i-Menu software needed to activate).

USB-C connection with laptop or smartphone

Easy connections anywhere you go. With the USB-C ports on two sides of the 16T2, connect a laptop, smartphone or computer in an instant with a single cable. USB-C carries network, data, video signals and power simultaneously with a single cable. No extra clutter. If connected via HDMI, you will need to plug the USB cable to your device to enjoy touch function.

GENERAL
