16T3E

Productivity at your fingertips with the portable, 10-point touch-sensitive USB-C display 16T3E

AOC's 16T3E expands your working and gaming space in an instant. The 9mm slim and super light 15.6" IPS display boasts vivid colours and features 10-point projective-capacitive touch recognition. Connect to a laptop or smartphone via USB-C within seconds and is easily set up or stored with the included smart cover.

Features

Portable, elegant solution
The portable monitor looks gorgeous and is durable with its metal alloy case. It is easy to travel with for work or study. It also easily fits in most notebook bags.

High quality viewing
Picture quality matters. Regular displays deliver quality, but you expect more. This display features enhanced Full HD 1920 x 1080 resolution. With Full HD for crisp detail paired with high brightness, incredible contrast and realistic colors expect a true to life picture.

VESA Wall Mount Compatible
The monitor comes with VESA Mount Compliant feature, allowing you to easily mount the monitor to any wall.

Direct access to the on-screen display settings
AOC's i-Menu allows direct access to the monitor's on-screen display settings utilizing a mouse.

Auto-Pivot
Change the orientation of the monitor to automatically align screen content (included AOC i-Menu software needed to activate).

Flexi-Stand
The monitor has a foldable flexi-stand for viewing in landscape or portrait mode. Landscape mode is ideal for video conferences, presentations and Excel sheets, while the Portrait mode conveniently gives you an easy vertical view of your instant messaging program, or sidebars such as search results.

USB-C
One cable is all you need. The USB-C technology carries both the power and the display signal to the screen in one cable. It not only looks ultra-clean and sleek but also greatly improves portability of the monitor.

Flicker-Free
Flicker-Free technology eliminates screen flickering by using DC backlight control, helping reduce eye strain and visual fatigue while delivering stable, comfortable viewing during extended periods of use.

GENERAL	
Model Name	16T3E
Channel	B2C, B2B
Product line	Style-line
Design family	T3
Launch date (ETA)	14/10/2023

DISPLAY INFORMATION	
Screen size (inch)	15,6
Screen size (cm)	39,6
Flat / Curved	Flat
Display hardness	3H
Pixel Pitch (mm)	0,1793
Panel resolution	1920x1080
Aspect ratio	16:9
Panel type	IPS
Backlight type	WLED
Max Refresh rate	60 Hz
Response time GtG (typical)	4 ms
Static contrast ratio (typical)	700:1
Dynamic contrast ratio	50M:1
Viewing angle (CR10)	170/170
Display colours	262 K
Brightness in nits (typical)	250 cd/m²

VIDEO FEATURES
