

A 15.6" lightweight IPS portable monitor with USB-C and mini HDMI, built for flexible work, entertainment, and productivity anywhere.

The AOC 16T3FE is a 15.6-inch IPS portable monitor designed for mobility and versatility. With USB-C (DP Alt Mode) and mini HDMI connectivity, it supports laptops, smartphones, and gaming consoles with ease. Its slim, lightweight design is ideal for travel, while FHD resolution and wide viewing angles ensure clear, consistent visuals. Multiple display modes, built-in speakers, and eye-care features enhance productivity and comfort.

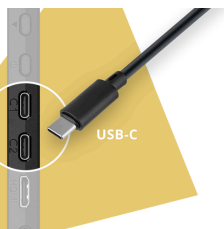

Features

Take Your Screen Anywhere

Your workspace doesn't have to stay in one place. Slip it into your bag, set it up in seconds, and continue exactly where you left off. Whether you're at a café, airport, or home, your screen follows your flow—light, effortless, and always ready.

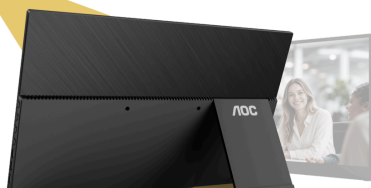

USB-C

One cable is all you need. The USB-C technology carries both the power and the display signal to the screen in one cable. It not only looks ultra-clean and sleek but also greatly improves portability of the monitor.

Mini HDMI

Mini HDMI connectivity ensures stable video transmission and broad device compatibility, making it easy to connect laptops and other sources for reliable display performance in mobile and professional working environments.

Magnetic Cover With Stand

The magnetic cover securely protects the display and folds into an adjustable stand, supporting multiple viewing angles for stable placement, improved ergonomics, and flexible use across different work environments.

Flicker-Free

Flicker-Free technology eliminates screen flickering by using DC backlight control, helping reduce eye strain and visual fatigue while delivering stable, comfortable viewing during extended periods of use.

Low Blue Light

Low Blue Light technology reduces harmful blue light emissions without distorting color accuracy, helping minimize eye strain and visual fatigue during extended work sessions and prolonged screen use.

GENERAL	
Model Name	16T3FE
Brand	AOC
Channel	B2C
Product line	Style-line
Design family	T 20
Launch date (ETA)	7/1/2026
EAN	4038986133746
DISPLAY INFORMATION	
Screen size (inch)	15,6
Screen size (cm)	39,5
Flat / Curved	Flat
Display hardness	3H
Panel treatment	Antiglare (AG)
Pixels per Inch	141,21
Panel resolution	1920x1080
Aspect ratio	16:9
Panel type	IPS
Max Refresh rate	60 Hz
Response time GtG	20 ms
Static contrast ratio	1000:1
Viewing angle (CR10)	170/170
Display colours	16.7M (6bits+FRC)
Brightness in nits	250 cd/m ²

VIDEO FEATURES	
Digital Signal Frequency Vertical	Type-C/HDMI 1.4: 59 -61 Hz (V)
Digital Signal Frequency Horizontal	Type-C/HDMI 1.4 : 24 - 83kHz (H)
