

15.6" Monitor

AOC's Model E1670SWU is a compact 15.6" display with LED backlight technology, which requires 50 percent less energy than typical 4CCFL monitors. This low power consumption technology, combined with its Mercury-free LED Panel, make it one of the most environmentally friendly lines of monitors offered. It features an attractive design with its Hair-Line, brushed texture surface and Ultra Narrow Bezel. The monitor's Dynamic Contrast Ratio of 20M:1 provides ultra detailed imaging, plus it includes AOC's signature e-Saver, i-Menu and Screen+ Software.

Features

Built-in convenient multitasking software
Screen+ allows you to split, customize, and organize your monitor's layout. Make multitasking easier by resizing and displaying multiple windows at once.

Easy adjustments just one click away
AOC's i-Menu allows direct access to the monitor's on-screen display settings utilizing a mouse.
