

19.45" Monitor

This 19.45" E2070SWNE is upgraded to a 16.7 Million Color FRC 8-bit panel, offering nearly 10 percent more colors than 6-bit panels. Combined with its 20,000,000:1 Ultra-high Dynamic Contrast Ratio, it displays sharp details in deep vivid color. A brushed surface texture presents a refined appearance. AOC signature features are included such as Ultra Low Power, e-Saver and Screen+ software, i-Menu technology and a Mercury-free LED panel.

Features

Vesa Mount

AOC's Ergo Base stands bring versatility, sturdiness and ease of use in one package. But do you still want to use your wall mount or multi-monitor setup using desk mounts? VESA mounts bring you the uppermost flexibility. Upside-down, in pivot mode, on top of each other, attach your monitor wherever you want using 3rd party mounts and stands thanks to the VESA mount option.
