E2260PDA

Ergonomic 22″ 16:10 display with speakers

This energy efficient 16:10 monitor comes with speakers and DVI connectivity. Its ergonomic stand is height-adjustable and offers tilt, swivel and pivot functions.

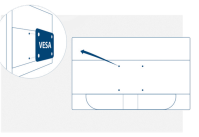

Features

Speakers
Built-in speakers make it easy to catch up with family, friends and colleagues. For movies, music, games and more, you'll enjoy quality audio without the hassle of connecting external speakers.

Kensington Lock
Kensington Lock is an anti-theft system, comprising a metal-reinforced hole in the body of the respective device, to use with a metal cable secured with a key/lock system. Kensington locks enable you to secure your AOC monitor during a LAN event, an organisation, or wherever you carry it.

Vesa Mount
AOC's Ergo Base stands bring versatility, sturdiness and ease of use in one package. But do you still want to use your wall mount or multi-monitor setup using desk mounts? VESA mounts bring you the uppermost flexibility. Upside-down, in pivot mode, on top of each other, attach your monitor wherever you want using 3rd party mounts and stands thanks to the VESA mount option.

Height adjustable Stand
Raise or lower the screen to suit each individual's height and seating preferences. The easy-to-adjust stand ensures hours of comfort.

Three-Year Warranty
AOC stands behind the quality of each and every monitor with a generous three-year warranty starting from the original date of purchase. Within the warranty period, any AOC displays with manufacturing defects or faulty components will be repaired or replaced at no additional charge.

GENERAL	
Model Name	E2260PDA
Channel	B2B
Product line	Pro-line
Design family	60 ID
Launch date (ETA)	12/27/2014
EAN	4038986121910

DISPLAY INFORMATION	
Screen size (inch)	22,0
Screen size (cm)	55,88
Flat / Curved	Flat
