

21.5-inch monitor with ergonomic stand and i-Care for optimized brightness

This model targets business and home office users alike. Hidden behind its classically designed case is the latest LED technology. It boasts a high typical contrast, an ultra-fast response time and wide viewing angles for excellent imaging performance. With the i-Care function, the monitor adapts the panel's brightness to the ambient light. This means a more comfortable viewing experience, whilst lowering the energy consumption at the same time. The environmentally friendly display comes in an elegant, textured black finish.

Features

Speakers

Built-in speakers make it easy to catch up with family, friends and colleagues. For movies, music, games and more, you'll enjoy quality audio without the hassle of connecting external speakers.

Height adjustable Stand

Raise or lower the screen to suit each individual's height and seating preferences. The easy-to-adjust stand ensures hours of comfort.

Display Port

DisplayPort offers ultra-fast digital audio and video transmission without quality loss or input lag. Quickly and easily connect a range of devices to your screen, including your computer, laptop, media player, game console and more. It's perfect for professionals as well as the most demanding home users.

USB Hub

Built-in USB hubs in AOC's monitors bring ease of use and practicality to your desk. Side mounted ports are easily reachable without even looking at them; negating time wasted searching the backside of a PC case to find a free USB port.
