

18.5" Monitor

This 18.5" AOC display conveys a sophisticated look with its brushed surface texture and Ultra Narrow Bezel, making it an attractive solution for any home or office setting. The E970SWNL offers a 20,000,000:1 Ultra-high Dynamic Contrast Ratio, providing incredible depth and image detail. The Hg-free LED backlight panel found in the 70 Series eliminates poisonous toxins that are found in Mercury based monitors, making this an environmentally friendly choice. It also offers Ultra Low Power Consumption for 50 percent less energy use, plus e-Saver and Screen+ software and i-Menu technology.

Features

Built-in convenient multitasking software
Screen+ allows you to split, customize, and organize your monitor's layout. Make multitasking easier by resizing and displaying multiple windows at once.

Easy adjustments just one click away
AOC's i-Menu allows direct access to the monitor's on-screen display settings utilizing a mouse.
