

Ultra-light, portable, one cable solution

The AOC I1601P is the super light 15,6" FHD portable monitor featuring USB-C and optional USB DisplayLink with a smart cover to protect it. This wide vision IPS display weights only 800 grams and sports a sleek, elegant design. Easy access to the OSD via AOC i-Menu, it changes from landscape to portrait mode with the auto-pivot function for maximum convenience.

Особливості

Portable, elegant solution

The portable monitor looks gorgeous and is durable with its metal alloy case. It is easy to travel with for work or study. It also easily fits in most notebook bags.

Ultra-light aluminum design

Functional connectivity, full productivity, and extreme portability in only 800 grams, with a sleek design and aluminum back. With a light weight and an easy-to-handle size, you can always be efficient... anytime, anywhere, with no side hassles and bothers.

One cable solution USB-C + USB displaylink

More on-screen estate is just a cable away. Thanks to the hybrid connection, you can easily connect your laptop to the portable monitor. Specifically, if your laptop has a USB-C port compatible with DP alt, you may use USB-C. If not, you can connect via USB with the DisplayLink technology in our portable monitor.

Travelling and commuting

If you work on the go, whether you're commuting or often working far from home, you need to boost your productivity in places and situations when a complete desktop setup is just impossible and unlikely to have. With the lightweight and easy-to-handle size of AOC portable monitors, you can always be efficient ... anytime, anywhere. Working has never been so easy: when visiting your customers, their ergonomics help you focus on the core of your meetings!

Business meetings

An AOC portable monitor is the perfect solution for business meetings. You can share with your customers and partners a document, or a presentation, while keeping an eye on all other apps you need for work on your laptop. This helps in delivering tasks with no distractions, for you and your audience.

Home use – Solve the “too little space issues”

Sometimes a traditional monitor is not what you're really looking for, the more so if you live in a small apartment and you can't have a complete desktop layout. But AOC has the perfect solution, in roughly 16", that can assure you more screen space and more comfort.
