I2080SW

195-inch display with IPS panel and integrated VESA mount

The versatile 19.5-inch AOC I2080SW delivers reliable performance for all your home computing needs. An IPS panel and 5ms response time ensure clear, detailed imagery and wide viewing angles, even for games and movies. With an integrated VESA mount, you also have the option to hang this display on the wall.

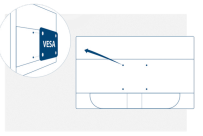

Features

IPS Panel
IPS panel ensures an excellent viewing experience with lifelike yet brilliant and accurate colours. Colours look consistent no matter from which angle you look at the display

Kensington Lock
Kensington Lock is an anti-theft system, comprising a metal-reinforced hole in the body of the respective device, to use with a metal cable secured with a key/lock system. Kensington locks enable you to secure your AOC monitor during a LAN event, an organisation, or wherever you carry it.

Vesa Mount
AOC's Ergo Base stands bring versatility, sturdiness and ease of use in one package. But do you still want to use your wall mount or multi-monitor setup using desk mounts? VESA mounts bring you the uppermost flexibility. Upside-down, in pivot mode, on top of each other, attach your monitor wherever you want using 3rd party mounts and stands thanks to the VESA mount option.

Three-Year Warranty
AOC stands behind the quality of each and every monitor with a generous three-year warranty starting from the original date of purchase. Within the warranty period, any AOC displays with manufacturing defects or faulty components will be repaired or replaced at no additional charge.

GENERAL	
Model Name	I2080SW
Channel	B2C
Product line	Basic-line
Design family	80 ID
Launch date (ETA)	12/27/2014
EAN	4038986105293
