

31.5" QHD Monitor

In a sleek white design, AOC's Q32V3S/WS is the perfect display for those craving for an ultra-elegant design. Its 2560 x 1440 QHD resolution coupled with the screen's IPS panel offers superior picture quality and finer details. Low Blue mode and Flicker Free technology also minimizes eye strain; while built-in HDMI & DisplayPort compatibility caters the different needs of PC and console gaming users.

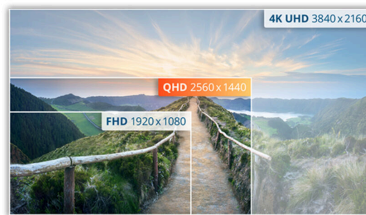

Features

IPS Panel

IPS panel ensures an excellent viewing experience with lifelike yet brilliant and accurate colours. Colours look consistent no matter from which angle you look at the display

QHD Resolution

With 2560 x 1440 resolution, Quad HD (QHD) offers superior picture quality and sharp imagery that reveals the finest details. The widescreen 16:9 aspect ratio provides plenty of space to spread out and work, plus allows you to enjoy games or movies in their original size.

Adaptive sync

Adaptive Sync aligns your monitor's vertical refresh rate with the frame rate delivered by your GPU, making your gameplay and casual gaming experience even more fluid by eliminating stuttering, tearing and judder. This feature is also useful when enjoying videos and other visual media, for a smoother entertainment.

Low Blue Light

AOC Lowblue Light protects you from harmful blue light which, during long sessions, has been shown to cause eye strain, headaches, and sleeping disorders. Our Lowblue Light feature reduces the harmful wavelengths emitted without sacrificing color composition, setting the experience free from the worry of eye damage.

Flicker Free

AOC Flicker-Free Technology utilises a DC (Direct Current) backlight panel, reducing flickering light levels. With eye strain and fatigue absolutely minimized, feel free to enjoy those long, intense gaming sessions in comfort!

Vesa Mount

AOC's Ergo Base stands bring versatility, sturdiness and ease of use in one package. But do you still want to use your wall mount or multi-monitor setup using desk mounts? VESA mounts bring you the uppermost flexibility. Upside-down, in pivot mode, on top of each other, attach your monitor wherever you want using 3rd party mounts and stands thanks to the VESA mount option.

GENERAL	
Model Name	Q32V3S/WS
Brand	AOC
Channel	B2C
Product line	Value-line
Design family	V3
EAN	471 738594 593 7

DISPLAY INFORMATION	
Screen size (inch)	31.5
Pixel Pitch (mm)	0.273
Panel resolution	2560x1440
Panel type	IPS
Response time GtG	4 ms
Static contrast ratio	1200:1
Dynamic contrast ratio	20M:1
Viewing angle (CR10)	178/178
Display colours	16.7 Million
Brightness in nits	250 cd/m ²
