X24E4U

Work smarter with the X24E4U 24" WUXGA Monitor

The X24E4U features a 24" WUXGA (1900x1200) display with a 16:10 aspect ratio and smooth 100Hz refresh rate, providing extra vertical space for enhanced productivity. With Hardware Anti-Blue Light and a Height Adjustable Stand (HAS), it ensures all-day viewing comfort. Perfect for coding, writing, data work, and any task that benefits from a taller screen.

Features

16:10 ratio, 1900x1200
With 1900×1200 resolution in a 16:10 format, you gain extra vertical workspace and sharper detail than standard 1080p. The balanced performance makes it ideal for design, productivity, and multitasking, while still delivering smooth viewing and gaming when you switch to play.

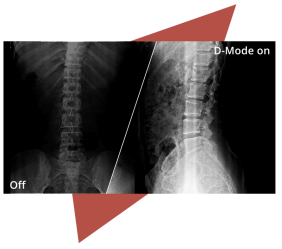

100Hz Refresh Rate
Equip yourself with twice the frame rate of other monitors and say goodbye to image stuttering and blurry motion. With a 100Hz refresh rate every frame is rendered sharply and in smooth succession, so you can line up your shots accurately and appreciate high speed races in all their glory.

Height adjustable Stand
Raise or lower the screen to suit each individual's height and seating preferences. The easy-to-adjust stand ensures hours of comfort.

Anti-Blue light
AOC has created an innovative solution to protect against the damaging effects of blue light from computer screens. AOC's Anti-Blue Light technology is revolutionary in reducing the intensity and strength of blue light from computer screens while still maintaining true color and clarity.

D-Mode
Professional monitor with grayscale precision for X-rays. D-Mode simulates the DICOM Part 14 standard, delivering stable and consistent grayscale performance. This ensures medical images like X-rays can be viewed with greater clarity and reliability in non-diagnostic settings such as training, consultation, or hospital administration.

5-Year Warranty
The included 5-year warranty provides long-term protection and dependable support, giving you added peace of mind throughout the life of your monitor. Designed for lasting reliability, it helps protect your investment, so you can work, create, and play with confidence for years to come.
